

Swim Wales Learn to Swim Providers Return to Water: Example Checklist

Below is a partially populated checklist that clubs can use as a starting point to help guide their return to water planning in conjunction with the [Return to Water Guidance Documents](#) and [Supporting Resources](#). This is not an exhaustive list and you should complete this in consultation with your facility operator.

<u>Task</u>	<u>Who is Responsible?</u>	<u>Date Completed</u>
Understand Swim Wales guidance documents		
Appoint COVID-19 Lead		
Make contact with LA/facility operator(s) regarding access to the facilities		
Complete and collect membership survey responses		
COVID-19 Swim School risk assessment		
Review workforce return to operations		
Review class structures and lesson timetables and ensure financial viability		
Communicate new processes, procedures and participant guidance		
Complete and collect COVID-19 return to water health screens and declaration		
Communicate COVID-19 return to lesson assessment
